

Title of the stakeholder proposal: Digital Helpers : Awareness and Knowledge (DHAK)

In the event of approval of the above-mentioned stakeholder proposal by the ESPON EGTC, we City of Brussels, represented by its board of Mayors and Aldermen, listed as participating stakeholder number 2 in the application form, hereby commit ourselves to:

1. Contributing to setting up the Targeted Analysis as described in the application form by helping to draft the Terms of Reference and by participating, through providing guidance, in the evaluation of tenders received for its implementation;
2. Fully participating in the partnership by engaging in the entire implementation process at own costs, and giving continuous feedback to the inception, the intermediate and the final drafts, as well as to the final results, and to proactively engaging in all required activities.
